

Adding a commitment

To add a liability, go to the "**Commitments**" menu item and click "**Add commitment**".

The screenshot displays the 'Add commitment' form in the PUQ-Mantic application. On the left, a sidebar menu lists various options, with 'Add commitment' highlighted by a red rectangular box. The main content area is titled 'Add commitment' and features a green 'Save' button at the top. Below the button, there are two input fields: 'Commitment name' and 'Description'. The 'Commitment name' field is a single-line text input, while the 'Description' field is a larger, multi-line text area.

After completing the form, click the "**Save**" button.
