

Synchronization income invoices

Income invoices are automatically synchronized during each daily WHMCS crontab job.

For the purpose of compulsory synchronization of income invoices.

Go to the **"Tools"** menu item and click **"Synchronization income invoices"**.

As a result, a table with all accounting systems and synchronization parameters will appear

ID	Name/Description	Type	Before synchronization	Added	After synchronization
7		apiWHMCS	287	1	288
6		apiWHMCS	18	0	18
