Docker MinIO module **WHMCS**

[Order now](#) | [Download](#) | [FAQ](#) | [n8n](#)

Client Area Overview - Logical Structure

The **main screen** of the client area is divided into **three logical sections**:

- 1. Navigation Block**
 - **"Go to MinIO"**: Direct link to access the application.
 - **"User Manual"**: Opens the official documentation or user guide.
- 2. Resource Usage Block**
 - Displays real-time statistics on container resource usage:
 - **CPU Usage**: Number of allocated CPUs and current load.
 - **Memory Usage**: RAM consumption, helping clients understand available capacity.
 - **Disk Usage**: Storage consumption within the container.
 - This section is crucial for users to **monitor performance** and determine whether they need to **upgrade their package**.
- 3. Application Information & Controls**
 - **Application Version**: Displays the installed software version.
 - **Owner Information**: Indicates the primary administrator of the application.
 - **User List**: Shows active users associated with the instance.
 - **Reset Password Button**: Allows the client to reset the administrator password for the application.

This **clear structure** ensures that users have **quick access** to their application, **real-time monitoring** of resource usage, and **essential management functions** in one place.
