Management Media account

Emby Family module **WHMCS**

Order now | Download | FAQ

Enabled - Update account status.

Username - Set a media account username. It consists of the username of the main account and a unique name for this media account.

Password - Write a password for registering the media account, or generate one by clicking Generate.

Disable libraries - Here are all the libraries available to the main account. If you want to restrict access for this media account to any of the libraries, simply select that library.

> Press **Ctrl** to select multiple libraries.
> Press **Shift+Ctrl** from top to bottom of list to select all libraries.

Emby Connect Email - add an Emby Connect Username for media account

> If you leave the field empty, Emby Connect will be disabled.

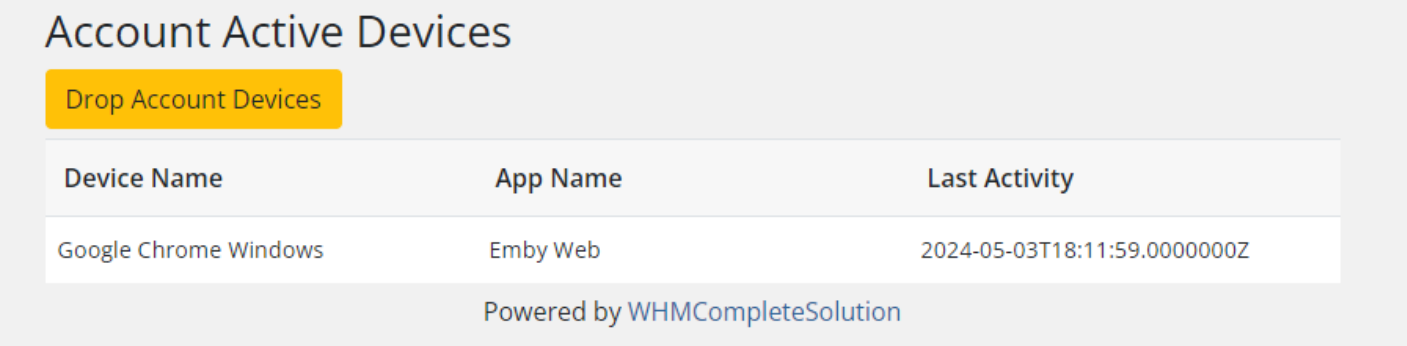

> Register the email in **Emby Connect.**

> One Emby Connect username can only be linked to one Emby account.

Media account active devices

Here is a list of active devices for this account.

> Press "Drop Account Devices" to sign out from the devices.
