License key	<input type="text" value="W [REDACTED] F"/> <small>success: 2024-07-13T10:53:59+02:00</small>	Media Accounts Configuration	Count of media accounts: <input type="text" value="11"/> <small>Available number of media accounts for creation by user</small>
Libraries Configuration	<p>Use All Libraries: <input type="checkbox"/> select all libraries together</p> <div style="border: 1px solid #ccc; padding: 5px; width: fit-content;"> Sport Cartoons Movies </div> <p>Write down the libraries you want to make available to customers of this product. (IMPORTANT! Start a new line for each new library) Example: "Movies Beginner's Programming Course Comedy"</p> <p>IMPORTANT! If you have a folder named "-", please enter it not as the first one or rename it. If you don't want any folder to be accessible, type "-".</p>	User Configuration	Streaming bitrate limit: <input type="text" value="12"/> <small>Mbps</small> Remote control: <input checked="" type="checkbox"/> Remote control of shared devices (DLNA devices are considered shared until a user begins controlling them) <input checked="" type="checkbox"/> Users can download media and store it on their devices. This is not the same as a sync feature. Book libraries require this enabled to function properly. Media downloads: <input checked="" type="checkbox"/> Allow subtitle downloading <input checked="" type="checkbox"/> If allowed, and if enabled in Emby mobile apps, users can automatically upload photos and videos taken from their camera to this Emby Server Camera upload: Media conversion: <input checked="" type="checkbox"/> Grant or deny access to the convert media feature. <input checked="" type="checkbox"/> Only web pages containing media information are shared. Media files are never shared publicly. Shares are time-limited and will expire after 30 days. Social media sharing: User Preference Access: <input checked="" type="checkbox"/> Allow this user to change their password and profile image <input type="text" value="em1-"/> <small>Will be attached to the beginning of username. Only small letters and numbers and symbol "-"</small> Username prefix: <input type="text" value="-by1"/> <small>Will be appended to the end of username. Only small letters and numbers and symbol "-"</small> Username suffix:
Allow playback	media: <input checked="" type="checkbox"/> audio that requires transcoding: <input checked="" type="checkbox"/> video that requires transcoding: <input checked="" type="checkbox"/> video that requires conversion without re-encoding: <input checked="" type="checkbox"/>	Feature access	Allow Live TV access: <input checked="" type="checkbox"/> Allow Live TV recording management: <input checked="" type="checkbox"/> Force transcoding of remote media sources such as Live TV: <input checked="" type="checkbox"/>
Links	Instruction: <input type="text" value="https://doc.puq.info/books/emby-whmcs"/> <small>A link to the instruction will be reflected in the client area.</small>	Client Area	Show Password: <input type="text" value="Show button"/> ▼ <small>Show service password in the client area</small>

[Switch to Advanced Mode](#)

- Automatically setup the product as soon as an order is placed
- Automatically setup the product as soon as the first payment is received
- Automatically setup the product when you manually accept a pending order
- Do not automatically setup this product

- **License key:** A pre-purchased license key for the "**PUQ Emby Family**" module. For the module to work correctly, the key must be active

Media Accounts Configuration

- **Count of media accounts:** Available number of media accounts for creation by user.

Libraries:

- **Use All Libraries:** Choosing all of libraries from your Jellyfin server
- **Libraries:** The libraries you want to make available to customers of this product.
(IMPORTANT! Start a new line for each new library)

Example:

"Movies

Beginner`s Programming Course

Comedy"

IMPORTANT!

If you have a folder named "-", please enter it not as the first one or rename it.

If you don't want any folder to be accessible, type "-".

User Configuration:

- **Streaming bitrate limit:** An optional per-stream bitrate limit for all out of network devices. This is useful to prevent devices from requesting a higher bitrate than your internet connection can handle. This may result in increased CPU load on your server in order to transcode videos on the fly to a lower bitrate.
- **Remote control:** Remote control of shared devices (DLNA devices are considered shared until a user begins controlling them)
- **Media downloads:** Users can download media and store it on their devices. This is not the same as a sync feature. Book libraries require this enabled to function properly.
- **Subtitle Downloading:** Allow subtitle downloading
- **Camera upload:** If allowed, and if enabled in Emby mobile apps, users can automatically upload photos and videos taken from their camera to this Emby Server
- **Media conversion:** Grant or deny access to the convert media feature.
- **Social media sharing:** Only web pages containing media information are shared. Media files are never shared publicly. Shares are time-limited and will expire after 30 days.
- **User Preference Access:** Allow this user to change their password and profile image
- **Username prefix/Username suffix:** Necessary in order to generate a username for the service, in the format: **prefix<client_id>-<service_id>suffix**

Allow playback (Restricting access to transcoding may cause playback failures in clients due to unsupported media formats)

- **media**
- **audio that requires transcoding**

- **video that requires transcoding**
- **video that requires conversion without re-encoding**

Feature access:

- **Allow Live TV access**
- **Allow Live TV recording management**
- **Force transcoding of remote media sources such as Live TV**

Links

- **Link to instruction:** Link to the instruction, if filled out, it will be reflected in the client area

Client Area

- **Client Area:** Client zone settings, show or not show the password in the client zone, type how to show the password.
