Overwrite package settings

☐ Overwriting the package settings is necessary to personalize the service if you need it.

Send changes to server

☐ To apply the changes on the server, it is necessary to check this checkbox.

Update

In the opened tab, you have a view of the online status of the service. The available online information includes:

- Connection status to the API
- Information about the Emby account on the **Emby** server
- Information about the account

Also, below are fields with the client's personal data.

You can also individually override package options for the client by checking the '**Overwrite package settings**' box.

After modifying the configuration options, check the '**Send changes to server**' box to save the data to the Emby server.

Username	em-4-120-by	Password		Server	emby-test.uuq.pl123
Server Group	Default (Servers: 1)	Use All Libraries	<input type="checkbox"/> select all libraries together		
Username prefix	em-	Libraries	Movies		
Will be attached to the beginning of username. Only small letters and numbers and symbol "-"					
Username suffix	-by	Streaming bitrate limit	50 Mbps		
Will be appended to the end of username. Only small letters and numbers and symbol "-"					
Remote control	<input checked="" type="checkbox"/> Remote control of shared devices	Media downloads	<input checked="" type="checkbox"/> Users can download media and store it on their devices. This is not the same as a sync feature. Book libraries require this enabled to function properly.
