

# How to buy a product license.

We sell license keys for our software products on our website.

<https://panel.puqcloud.com/>

To be able to make a purchase, you must register and provide all the necessary data, paying attention to providing the correct data that corresponds in reality. We fully trust our clients and do not check the correctness of your entered data. However, we reserve the right to moderate data if necessary. We are also a law-abiding company and if your actions on our platform conflict with the laws of POLAND, we will be forced to take compulsory measures to limit violations.

## Registration

<https://panel.puqcloud.com/register.php>

The screenshot shows a registration form titled "Personal Information" with fields for First Name, Last Name, Email Address, and Phone Number. Below the form is a navigation menu with "Home", "Store", and "Services" options. A "Shopping Cart" section is visible, listing products such as "WHMCS Module Proxmox KVM", "WHMCS Module Mikrotik VPN", and "WHMCS Module Synology". Two product cards for "WHMCS module Synology" are highlighted, one for a 1-month license and one for a 1-year license. Both cards include the text "Provisioning module for the WHMCS."
