**Username** - Set a media account username. It consists of the username of the main account and a unique name for this media account.

**Password** - Write a password for registering the media account, or generate one by clicking Generate.

**Disable libraries** - Here are all the libraries available to the main account. If you want to restrict access for this media account to any of the libraries, simply select that library.

Press **Ctrl** to select multiple libraries.

Press **Shift** to select all libraries.
