 **Drop Account Devices**

Enabled - Update account status.

Username - Set a media account username. It consists of the username of the main account and a unique name for this media account.

Password - Write a password for registering the media account.

Disable libraries - Here are all the libraries available to the main account. If you want to restrict access for this media account to any of the libraries, simply select that library.

Press **Ctrl** to select multiple libraries.

Press **Shift+Ctrl** from top to bottom of list to select all libraries.

Media account active devices

Here is a list of active devices for this account.

Press "Drop Account Devices" to sign out from the devices.
