

Description

MinIO S3 module **WHMCS**

[Order now](#) | [Download](#) | [FAQ](#)

MinIO S3 WHMCS module

The module allows the company to offer its customers the possibility of managing data storage compatible with S3 object storage using the MinIO S3 solution. The module requires a fully configured MinIO server to work. The module does not assist in the creation of such a server in any way.

Main features

- **Automatic account provisioning** — auto create and deploy product (User and S3 Buckets) upon order activation
- **API-driven management** — the module uses only the API to manage the accounts on the MinIO server
- **Account lifecycle management** — create, suspend, unsuspend, terminate, change password, and change package for MinIO S3 user accounts
- **Disk usage monitoring** — track and display disk usage statistics with historical data and configurable retention period
- **Email notifications** — automatic notifications when disk usage exceeds configurable thresholds
- **Suspension on disk limit** — automatic suspension when the disk limit is exceeded, with policy switching to restricted mode
- **Multi-language support** — 25 languages including Arabic, Azerbaijani, Catalan, Chinese, Croatian, Czech, Danish, Dutch, English, Estonian, Farsi, French, German, Hebrew, Hungarian, Italian, Macedonian, Norwegian, Polish, Romanian, Russian, Spanish, Swedish, Turkish, and Ukrainian
- **Link to instructions** — configurable link for setting up the service in the client area
- **Policy management** — configurable raw policies for standard and disk-limited access,

with admin controls to force policy updates

- **Default bucket creation** — optional automatic creation of a default bucket with configurable suffix

Admin Panel Options

- Suspend users
- Terminate users
- Unsuspend users
- Change users password
- Change Package
- API connection status
- Disk status
- Update Policy / Set Standard Policy / Set Limited Policy

Client Panel Options

- Change the MinIO user password
- Disk status
- Using disk space statistics
