

Hero Section

Page Manager addon **WHMCS**

[Order now](#) | [Download](#) | [FAQ](#)

The Hero Section widget renders a full-width banner intended for the top of a page. It supports a badge tag, title, subtitle, description, two action buttons, overlay effects, a background video, and parallax scrolling. All typography, layout, and background options are configurable.

Admin Settings

The screenshot shows the 'Hero Section' admin settings panel. It includes fields for width, margin-top, margin-bottom, and style (set to 'puq'). The background image/color field contains 'https://images.unsplash.com' and has checkboxes for 'Disable Shadow', 'Disable Radius top', 'Disable Radius bottom', 'Disable Background', and 'Full width'. The badge field is 'Cloud Management Platform'. The title is 'Build Your Cloud Business With Confidence', the subtitle is 'Free, Open-Source, and Unlimited — Forever', and the description is 'Deploy servers, automate billing, and manage your entire cloud infrastructure from a single powerful panel. Trusted by thousands of providers worldwide.' There are two buttons: 'Button 1' with text 'Get Started Free', URL 'https://puqcloud.com/', and a blue color; 'Button 2' with text 'View Demo', URL 'https://puqcloud.com/', and a white color. Text color is white, text align is 'Center', height is '80vh', vertical align is 'Center', overlay color is black, and overlay opacity is '40'. The video URL field is 'Background video .mp4 URL'. Options include 'Rounded buttons' (checked) and 'Parallax background' (unchecked).
