

Promo Slider

Page Manager addon **WHMCS**

[Order now](#) | [Download](#) | [FAQ](#)

The Promo Slider widget renders an image carousel with text overlays and call-to-action buttons. Each slide can have a heading, description, foreground image, background image, and a button link. Ten visual styles are available, including cinematic, parallax, and split-screen layouts.

Settings

Layout

| Setting | Description |
|----------------------|--|
| width | Widget container width (e.g. <code> 100%</code> , <code> 1200px </code>) |
| margin-top | Top margin of the widget block |
| margin-bottom | Bottom margin of the widget block |
| Style | Visual style template (<code> puq </code> , <code> puq-cards </code> , <code> puq-cinema </code> , <code> puq-glass </code> , <code> puq-hero </code> , <code> puq-kenburns </code> , <code> puq-magazine </code> , <code> puq-minimal </code> , <code> puq-neon </code> , <code> puq-split </code>) |
| height | Slider height (e.g. <code> 500px </code>) |

Background & Options

| Setting | Description |
|-----------------------------------|--|
| Background image | URL of the background image for the widget container |
| Background color | Background color of the widget container |
| Disable Navigation Buttons | Hide the previous/next arrow buttons on the slider |
| Disable Shadow | Remove the drop shadow from the widget container |
| Disable Radius top | Remove top corner rounding |
| Disable Radius bottom | Remove bottom corner rounding |
| Disable Background | Remove the background panel entirely |
| Full width | Stretch the widget to the full page width |

Slides

Use the + button to add slide entries. Each slide has the following fields:

| Field | Description |
|--------------------------|--|
| Header | Heading text for the slide |
| Header size | Font size selector for the heading |
| Header color | Color of the heading text |
| Description | Body text or subtitle for the slide |
| Description size | Font size selector for the description |
| Description color | Color of the description text |
| IMG | URL of the foreground image displayed on the slide |
| Background IMG | URL of the background image for the slide |
| Button text | Label for the call-to-action button |
| Button URL | Destination URL for the call-to-action button |

Slides can be reordered with the up/down arrows and removed with the delete button.
