Summary Cards

The top section displays four key metrics:

Metric	Description
--------	-------------

Total Groups	Number of product groups
Total Services	Total number of services across all groups
Active Services	Services with Active status
Ungrouped	Services belonging to products without a group

Services Distribution

A large donut chart visualizing how services are distributed across all product groups. Each segment represents a group with:

- **Group name** — displayed in the legend
- **Service count** — total services in the group
- **Percentage** — share of total services

The chart includes all groups, even those with zero services, providing a complete picture of your product portfolio distribution.
