Summary Cards

The top section displays four key metrics:

Metric	Description
Total Groups	Number of product groups configured in WHMCS
Total Products	Total number of products across all groups
Active Services	Total services with Active status
Total Services	Total number of services across all statuses

Groups Table

A sortable and searchable table listing every product group:

Column	Description
#	Group ID in WHMCS
Group Name	Name of the product group (clickable link)
Products	Number of products in this group
Active	Number of active services (green badge)
Suspended	Number of suspended services (yellow badge)
Terminated/Cancelled	Number of terminated and cancelled services (red badge)
Total	Total number of services in this group

The table supports real-time search filtering and column sorting.
