Virtual Machine Order Information

Product/Service

▼

Body:

Unique Name

Dear {\$client\_name},

Your order has been accepted for implementation.

Installing and pre-configuring the virtual machine will take some time.

Please wait for an e-mail with information that the virtual machine is ready for use, also with access parameters.

Product/Service: {\$service\_product\_name}

Payment Method: {\$service\_payment\_method}

Amount: {\$service\_recurring\_amount}

Billing Cycle: {\$service\_billing\_cycle}

Next Due Date: {\$service\_next\_due\_date}

Important note - if you have also purchased the backup options, do not forget to configure the schedule in the service's subpage.

Thank you for choosing us.

Subject: Virtual Machine Order Information

A screenshot of the Microsoft Word ribbon, specifically the Paragraph section. The font is set to Verdana, size 11pt. The Paragraph group includes icons for bulleted list, numbered list, decrease indent, increase indent, left-align, center-align, right-align, justify, link, unlink, insert table of contents, and update table of contents. The Styles group shows the Paragraph style selected. Below the ribbon, the document title bar reads "Revision #9". The status bar at the bottom indicates "Created 6 September 2022 12:35:42 by Ruslan" and "Updated 11 June 2024 09:35:25 by Yuliia Noha".
