Displaying a list of services in the client area has been introduced

The screenshot shows the PUQ cloud client area interface. At the top left is the PUQ cloud logo. To the right is a search bar for the knowledgebase and a shopping cart icon. Below the logo is a navigation menu with links for Home, Client Area, Services, Domains, Billing, Support, and Open Ticket. The user is logged in as 'ruslan!'. The main content area is titled 'My Products & Services' and displays a table of services. The table has columns for Product/Service, Pricing, Next Due Date, and Status. The services listed include Business-VPN, KVM 2/2/10 real IP, and MiniOS3 1 GB, with various pricing and status indicators.
