

Add VPN account

WireGuard Business-VPN module **WHMCS**

[Order now](#) | [Download](#) | [FAQ](#)

This is how the page for adding a new VPN account looks like.

Each VPN account has a unique client ID, the ID is generated according to the scheme <user_id>-<service_id>-Manually entered value. <user_id>-<service_id> are generated automatically by module. You can modify manually the last part.
