The screenshot shows a web interface for managing VPN configurations. At the top, there are three navigation tabs: "Manage" (selected), "Metrics", and "Resource Usage". Below the tabs, there are four action buttons: "User manual" (with a document icon), "Download VPN client" (with a download icon), "Create one-time link" (with a thumbs-up icon), and "DOWNLOAD CONFIG" (with a download icon). Below these buttons is a section titled "Network configuration". At the bottom of the interface, there is a revision history section with the following text: "Revision #14", "Created 24 November 2022 05:29:34 by Ruslan", "Updated 5 February 2026 06:06:15 by Dmytro Kravchenko", and "WireGuard / IKEv2".
