Unique Name: puqWireGuard Custom welcome email template

Subject:

```
Welcome to Your New VPN Service - Connection Information Enclosed
```

Body:

```
Dear {$client_name},

Congratulations and welcome to your new VPN service!  We are excited to have you on board, and we appreciate your trust in us to provide you with a secure, private, and fast online experience.

To get started, please find your VPN connection details below:

Username: {$user}
Password: {$password}
```

Server Hostname: {$server_hostname}
Available connection protocols: {$protocol}

One-time link where you will find all comprehensive information:
{$otl}
Here you will find all the information about the possibility of connecting to a VPN service.
Attention! You can use this link only once, if you need to get the login data from the link again, use the client panel to generate a new link.

Android app download link: https://play.google.com/store/apps/details?id=com.wireguard.android

iPhone app download link: https://apps.apple.com/us/app/wireguard/id1441195209

To quickly connect after downloading the official WireGuard app for your device, scan the QR code below.

You can use these credentials to connect to our VPN service using your preferred VPN client or app. If you need assistance with setting up the connection or require a step-by-step guide, please visit our support page: [your-company-support-page-link].

For your convenience, we have also attached a detailed user manual to this email. The manual will provide you with comprehensive instructions on how to use our service and configure your VPN connection.

Please keep this email safe, as it contains sensitive information about your VPN account. We strongly advise you not to share your login credentials with anyone.

```
Once again, thank you for choosing our VPN service. We are committed to providing you with
the best online experience, and we look forward to serving you.

{$signature}
```
