You can use these credentials to connect to our VPN service using your preferred VPN client or app. If you need assistance with setting up the connection or require a step-by-step guide, please visit our support page: [\[your-company-support-page-link\]](#).

For your convenience, we have also attached a detailed user manual to this email. The manual will provide you with comprehensive instructions on how to use our service and configure your VPN connection.

Please keep this email safe, as it contains sensitive information about your VPN account. We strongly advise you not to share your login credentials with anyone.

Once again, thank you for choosing our VPN service. We are committed to providing you with the best online experience, and we look forward to serving you.
